

# NOMAD COURTROOM TECHNOLOGY

Use our All-In-One audio and visual touch screen media equipment to present documents or pictures in the courtroom!

## What can NOMAD do for you?

- Present audio recording, documents, text messages, photos, CDs, VHS, DVD, Blu-Ray, and more directly from your personal computer, cell phone, camera, or thumb drive.
- Hard-wired connection cables and power outlet provided

**Note:** We do not provide hard-wire connection for Apple devices.

## No Advanced Reservation Required

Simply notify the courtroom clerk when your case is called before the judge.

**For more information visit:**
